**SUPPLEMENTAL AMENDMENT AND
SUBMISSION OF SUBSTITUTE SPECIFICATION**

Sir:

In an application related to the present case, serial number 09/558,924, the Examiner in that case requested that several formal matters be addressed prior to proceeding to allowance of that case. As the specifications of this application and the present application are the same, applicant submits the following supplemental amendment including a substitute specification and amendments thereto to bring the present application in line with the allowed case. The Examiner's review and entry of these amendments and substitute specification is respectfully requested.
